countries

THE WEEK AT A GLANCE

42 new projects in 30 countries over the last 7 days. The three most significant, then the rest.

- **SABIC AN takes FID on SAN-7 ammonia-urea complex in Al Jubail**

Saudi Arabia · Awarded · slides 3–4

- **Jinhui orders two 64,500 dwt ultramax bulkers at Jiangmen Nanyang**

China · Awarded · slides 5–6

- **Saipem awards Subsea Cable Assets ~\$20m cable transport contract for Caspian**

Netherlands · Awarded · slides 7–8

ALSO ON THE RADAR

- **New York Renewable Energy Awards**

United States · Awarded

- **Digital Signalling Framework Contracts**

Austria · Awarded · Rail & Inland Transport

- **Vietnam High-Speed Rail Projects**

Vietnam · Awarded · Rail & Inland Transport

- **Ruwais Phase 3 Expansion**

United Arab Emirates · Awarded · LNG

- **Offshore Wind Service Operation Vessel**

Taiwan · Awarded · Offshore Wind

PROJECT 1 OF 3

Awarded

Saudi Arabia

Fertilizer Plants

SABIC AN takes FID on SAN-7 ammonia-urea complex in Al Jubail

\$3.5bn

EPC contract awarded to Samsung E&A (approx.)

BCInsight (CRU) reports that SABIC Agri-Nutrients has taken FID on SAN-7 in Al Jubail. The project adds 1.2 million t/a of ammonia and 2.6 million t/a of urea capacity.

PROJECT 1 OF 3 • THE OPPORTUNITY

SABIC AN takes FID on SAN-7 ammonia-urea complex in Al Jubail

WHO

Owner: SABIC Agri-Nutrients. EPC: Samsung E&A. Licensors: Stamicarbon (MAIRE's Nextchem), thyssenkrupp Uhde Fertilizer Technology.

OPPORTUNITY FOR

The EPC is awarded and FID is taken on a large fertilizer complex, so Samsung E&A's procurement and subcontracting come next. This matters to fertilizer plant equipment suppliers and construction subcontractors in Saudi Arabia.

KEY FACTS

- The complex includes two urea plants
 - Nextchem, via Stamicarbon, supplies an NX STAMI Urea package under a EUR 125m contract
 - Stamicarbon's scope covers licensing, the Process Design Package and proprietary equipment
-

WHAT TO WATCH

Construction start, which the report expects in Q4 2026.

PROJECT 2 OF 3

Awarded

China

Shipyard & Fleet

Jinhui orders two 64,500 dwt ultramax bulkers at Jiangmen Nanyang

\$71.4m

Two 64,500 dwt ultramaxers at \$35.7m each

Splash247 reports that Jinhui Shipping has ordered two more ultramax bulkers from Jiangmen Nanyang Ship Engineering. This brings its ultramax newbuilding programme to 14 ships.

PROJECT 2 OF 3 · THE OPPORTUNITY

Jinhui orders two 64,500 dwt ultramax bulkers at Jiangmen Nanyang

WHO

Owner: Jinhui Shipping and Transportation (via Jinmao Marine and Jinquan Marine). Shipyard: Jiangmen Nanyang Ship Engineering.

OPPORTUNITY FOR

This is an awarded newbuild order at a Chinese yard, part of a 14-ship programme across three yards. It matters to marine equipment and outfitting suppliers at Jiangmen Nanyang, New Dayang and Hantong, and to ship lenders.

KEY FACTS

- Around 65% of the price is funded by bank borrowing, the rest from internal resources
 - In June, Jinhui ordered two 64,100 dwt ships at New Dayang for \$68m
 - Jinhui currently operates 19 vessels: 16 owned and 3 chartered-in
-

WHAT TO WATCH

Delivery of Jinhui's first 63,500 dwt ultramax from Jiangsu Hantong, scheduled for December this year per Splash247.

PROJECT 3 OF 3

Awarded

Netherlands

Oil & Gas

Saipem awards Subsea Cable Assets ~\$20m cable transport contract for Caspian

5 x 1,100t

Cable transport carousels to be supplied
by SCA

Subsea Cable Assets (SCA) says it has won its first contract, worth about \$20m, from Saipem Contracting Netherlands. SCA will move cable from load-out at JDR Cable Systems in the UK to the Caspian region.

PROJECT 3 OF 3 • THE OPPORTUNITY

Saipem awards Subsea Cable Assets ~\$20m cable transport contract for Caspian

WHO

Client: Saipem Contracting Netherlands. Contractor: Subsea Cable Assets (SCA). Cable load-out: JDR Cable Systems (UK).

OPPORTUNITY FOR

This awarded logistics package crosses several regions. It matters to cable transport vessel and barge operators, SPMT and heavy-transport providers, and load-out and port services on the UK–Southeastern Europe–Caspian route.

KEY FACTS

- Scope: engineering, fabrication, installation and operation, demobilization and reinstatement
 - In Southeastern Europe, SPMTs will move the loaded carousels onto smaller transport barges
 - SCA says it has delivered more than 50 carousels and related equipment worldwide
-

WHAT TO WATCH

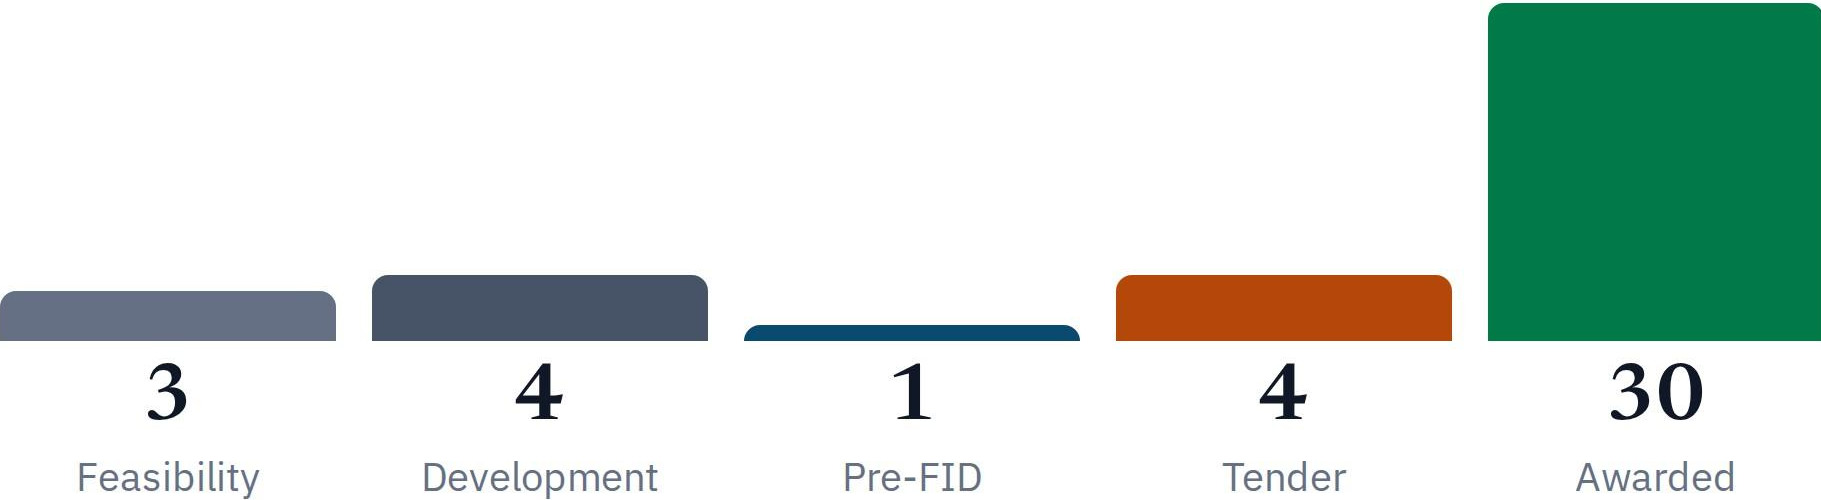

The carousels are being manufactured at SCA's Dubai facility, with shipment to Europe planned by the end of 2026.
